Graceful and warm, this enchanting property is nestled in a peaceful cul-de-sac a stroll to the primary school. Lattice windows, a gable roof and feature wall mouldings define its country chic aesthetic. Dark-hued bamboo floors articulate the formal lounge and dining rooms. A timber-topped central island sits in the kitchen which has granite benches, abundant storage and a lovely leafy outlook.

Highlight windows harness the natural light in the master bedroom which has an ensuite and built-in wardrobe. All three bathrooms and the custom-designed laundry are new, with a raised bath tub in the family bathroom. Two upstairs bedrooms enjoy the privacy of ensuite-access to the bathroom and their own rumpus. An English country garden fronts the house and the backyard hosts a covered pergola alongside manicured lawn and a saltwater pool.
