

57 Francis Street Castle Hill NSW

5  3  2 

Wonderfully hidden from the road, this charismatic residence unfolds with multiple living spaces and lovely alfresco settings. High ceilings enhance the light-soaked layout which offers green views from every room. Textured interiors have slate tiles, timber panelling and feature brickwork for a natural look. The stone-benched kitchen enjoys garden views and leads to a meals room that opens on two sides to the outdoors. Bi-fold doors merge from the rumpus and large formal lounge to a large verandah framed by privacy hedges.

An indoor in-ground pool promises year-round entertainment for all ages and downstairs there is two bedroom self-contained accommodation ideal for extended family living. A sky-lit ensuite with corner spa tub serves the master bedroom which opens to another verandah, maximising the lovely garden setting. Located within
